Professional Summary:

Final-year Computer Science engineering student (7th semester) with hands-on experience in C, Python, Java, and full-stack web development (HTML, CSS, JavaScript). Completed 3 projects. Earned 20+ industry certifications. Active participant in hackathon. Maintained a strong academic record (8 CGPA).

Skills:

- **Languages:** C, Python, Java, HTML/CSS, JavaScript
- **Tools/Platforms:** VMware, Git, MySQL, Flask, Jupyter Notebook
- **Technologies:** Machine Learning, data analysis, full-stack development
- **Soft Skills:** Leadership, teamwork, communication

Education:

- **B.Tech: Computer Science (Cybersecurity)**, Garden City University, Bengaluru CGPA: 8.0
- **12th Grade**, BGS PU College, Bengaluru 71.33%
- **10th Grade**, Sri Aurobindo Vidya Mandir, Bengaluru 89.12% (Top 10)

Projects:

- 1. Phishing Detection Website** 2025
 - Created a web application for phishing detection using Flask and machine learning models.
 - Achieved 92% detection accuracy on a dataset of 2,000+ URLs.
 - Implemented URL-based and content-based feature extraction techniques.
- 2. Pharmacy Management System** 2024
 - Developed a comprehensive inventory and billing system in Java and MySQL, managing over 500 stock items (SKUs).
 - Reduced manual tracking by 80% and improved stock management accuracy by 30%.
 - Implemented real-time search and automated billing reports to enhance operational efficiency.
- 3. Location Finder from Photo (Hackathon Project)** 2023
 - Built an ML-based tool to identify the geographic location of input images with 90% accuracy on 300+ images.
 - Integrated with the Bhuvan Map platform for location mapping.
 - Developed during a hackathon in a team of 4 using Jupyter Notebook, HTML, CSS.

Achievements:

- Participated in a national-level hackathon, delivering a functional prototype.
- Presented a abstract on "DNA Storage Using AI," exploring next-generation data preservation through synthetic biology and AI.
- Delivered a comprehensive presentation on IoT in Space Exploration, with insights into India's Chandrayaan-1, 2 and 3 missions.
- Consistent academic performance: 8.0 CGPA (Top 15%) throughout engineering.
- Top 10 scorer in 10th board exams (89.12%).

Experience:

Intern, Zetpeak August 2025 – Present

- Currently pursuing a 3-month internship focusing on Cybersecurity Research and Development.

Certifications:

- **Cybersecurity:** Introduction to Cybersecurity, Junior Cyber Security Analyst, Network Support and Security (Cisco), Ethical Hacking and Pentest (Udemy)
- **AI/ML & Data:** Generative AI for Software Development (IBM), Data Mining and Warehouse, Big Data Analytics, Hadoop Architecture (Infosys Springboard)
- **Cloud:** AWS Essentials (Infosys Springboard)
- **Programming:** Python Certificates, Linux (Infosys Springboard)
- **Networking:** CCNA Certificates (Cisco)
- **View all certificates:** [Google Drive Folder](#)
